

# APRIL 12TH

## First Ever GBN

**Calling all students!**

**The Engineering in Medicine and Biology Society will be holding our first ever general body meeting this Wednesday, April 19th, at 5:00 PM in SEO 201. Please join us as we discuss future events for the chapter, such as the GeneMapp project, the EMB conference and paper competition, upcoming lab visits, and more! Being that this is our first GBM there is a lot of opportunity for students to get involved and make an impact. Refreshments will be served, so be sure to bring friends! We will also be making signs for the earth day protest after the meeting with other organizations, feel free to join us!**

**Get Involved!**

---

**No Membership  
Required!**

---
